

ENERGOZAM

ZPUP Energozam Sp. z o.o. runs business in several industries. The company started with energy sector 20 years ago.

Today Energozam conducts the accredited laboratory of electronic meters and meters' workshop.

We work with foreign producers and also provide meters to the Polish power companies.

The significant area of our business activity is the OPEL dealership. Energozam has got two authorized

dealerships: in Zamość and in Lublin, dealing with the sales of new and used cars and providing after sales service.

The other business areas Energozam deals with are: mobile telephony and fuel.

Energozam is the authorized partner of PLUS mobile network and the owner of petrol station BLISKA – the brand which belongs to ORLEN oil company.

Products & Services: OPEL dealership, PLUS mobile telephony network, BLISKA petrol station, energy meters.
