

ARDOSSALE ARTUR UJAZDOWSKI

ARDOSSALE company assembles and sells modular, panelled, overhead ceilings and the ceiling systems of the following type: ARMSTRONG, OWA, AMF THERMATEX, TBS and others.

We have been working with ceilings since 2004. We offer the best market prices at the highest standard of workmanship. We focus on new, challenging ideas and solutions. The experience gained will enable us to realize any request you submit.

We operate all over the country and we look forward to suggestions.

We provide interior designs of houses, shops and public buildings prepared by architects and their projects.

Products & Services: modular, panelled, overhead ceilings and the ceiling systems of the following type: ARMSTRONG, OWA, AMF THERMATEX, TBS and others.
