

# AUTO-NADWOZIA BEDNARCZYK SP.J.

We have been a manufacturer of chassis for vans and trucks of all makes and trailers up to 18 tons since 1999. We have many years' experience in manufacturing bodies and trailers. We have obtained THE EC TYPE APPROVAL CERTIFICATE for such vehicle brands as: IVECO, MAN, DAF, MERCEDES-BENZ.

We work with many companies both at home and abroad. To design our bodies and trailers we use the TrailerWin, CraneWin, SolidEdge programs. We are an authorized technical supervisor. Furthermore, we have our own transport for chassis and bodies to be carried before and after the completion of the assembly. Our motto is 'quality-built vehicles, meeting deadlines and competitive prices'.
