

BIM SP. Z O.O.

BIM has started its export activity in cooperation with the leading Polish furniture manufacturers in Europe: BLACK RED WHITE and NOWY STYL. Today our offer includes furniture from such companies as: FORTE, MEBIN, SZYNAKA, VOX, TARANKO, UNIMEBEL, CAYA DESIGN, DĄB GDYNIA and others. Growing trade and our extensive experience in sales contributed to diversification and expansion of our export business in Europe, Asia, North America and Africa. The standard of our B2B relationships is flexible adjustment of the offerer to contractor's expectations. With the scale of the turnover we have achieved as furniture manufacturers, we can offer you products at factory prices. We let you realize individual projects and non-standard orders. We hope that our furniture will arise your interest.

Products & Services: A wide variety of furniture products: home furniture, bedrooms, kitchens, bathrooms, upholstered furniture, individual projects, non-standard orders etc.
