

PRODUKCJA MEBLI MEBLOTAP SP. Z O.O.

Our company deals with the sale of chinaware and supplementary accessories for the interior furnishing. We also offer room and kitchen furniture, chairs, tables as well as upholstered furniture in various styles in 2013. We started our own production of furniture. It is a line of modern furniture with original design and usage. We use the best materials and upholstery fabrics of renowned domestic and foreign manufactures to produce our furniture. We make furniture for large retail chains, hotels as well as custom made furniture for individual customers. In addition, we offer upholstery services and woodworking.
