

# HANYANG POLSKA SP. Z O.O.

Hanyang Polska Sp. z o.o. is a manufacturer of injection moulded plastic components located in Świdnik. Our company was established in 2001 on the basis of the existing injection moulding factory. We have experience in engineering and injection moulding of plastic furniture, electronic components and household goods, gardening and painting articles for the local and foreign markets. We design, develop and supervise all stages of plastic products coming into being – from concept, through toolmaking up to the final product. Our biggest task is commitment to provide our customers with high quality functional products, manufactured at optimal costs.
