

„RAPA” S. MIĘDLAR W. I I. SZYMAŃSCY SP.J.

The manufacturer of refrigerators, refrigerated counters, refrigerated modules designed to be installed in series lines, counter cash bases, confectionery display cases and bakery shelving. These units are designed for small and middle-sized shops, restaurants, coffee shops, petrol stations and also for big stores. They are designed for internal or external cooling installation. Together with efficient management and well qualified staff we offer modern, energy efficient products to satisfy customers. As we care about the environment, we only use the refrigerant gases that are safe for the ozone layer. The high quality of our products is confirmed by the Polish Safety Certification Mark, sign B and CE, issued by the Polish Centre for Testing and Certification in Warsaw and the Certificate of Health Quality, issued by the National Institute of Hygiene.

Products & Services: Refrigeration devices and bakery shelving.
