

ULTRA-MED SP. Z O.O.

Ultra-Med Company which was founded in 1994 as an authorized distributor of 3M's medical materials has been strictly connected with Lublin. Nowadays we offer medical equipment and supplies, rehabilitation materials and nationwide service of medical machinery. In terms of products, we focus on selling supports/orthoses, surgical instruments, power instruments, endoscopy instruments and custom packs. We can also offer sterilizers, sterilization materials, surgical dressings, anatomic models and medical simulators. Our main clients are hospitals and clinics but also doctors and patients. We have our sales representatives in Warszawa, Poznań, Gdańsk and Katowice. Moreover, we run four stores with rehabilitation and orthopaedic materials. Our knowledge and a wide range of renowned companies products, allow us to offer highest quality service and satisfactory cooperation.

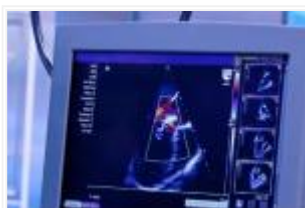

Products & Services: Surgical instruments, supports/orthoses, power instruments, medical machinery service.
