

LUBLIN CONSULTANCE CENTRE SP. Z O.O.

LCC
LUBELSKIE CENTRUM
CONSULTINGU

Lublin Consulting Centre Sp. z o.o. (LCC) is the name used by our energy investment and trade consultancy company located in Eastern Poland – Lublin, near the Ukrainian and Belarusian border. The company was established in 2009 to provide professional solutions for business training and development. LCC's cooperation with the foreign investors has enhanced the promotion of the Lubelskie Voivodeship as an attractive place to locate strategic investments. Currently we co-operate with 10 huge international entities providing them comprehensive consulting services. In our portfolio there are over 40 investment projects. LCC was originally established by a group of trade, transport and logistics specialists involved in many international projects.

Products & Services: Solutions for business training and development, implementation project (commercial and co-financed by the EU), business consulting services (especially-trade, transport.logistics, energy). The main trade and energy consultancy projects LCC is involved in focus on delivering natural resources such as: coal, oil, gas, biomass and phosphates used in energy, heat and chemical production. We work in energy investment consultancy and finance solutions
