

# EAST STUDIO SP. Z O.O.

East Studio Sp. z o.o. is a film production company present on the Polish and international media market. The main fields of activities of East Studio are: commercials, corporation films equal to feature films, documentaries, music videos and animations. We cover the whole process of production from working on ideas (with creative departments and writers) through the whole shooting process to the final cuts, colouring, postproduction effects etc. We employ the best professionals for our projects. They come from a wide range of disciplines connected with film and visual arts. Our passion is the film – its visual aspects and storytelling.
