

DG-INWEST DANIEL GAWRYCZUK

DG-INWEST is the largest financial broker in Poland. We have been operating in the financial market for almost 20 years! In our company you will find a wide offer of 65 financial institutions. Every customer is treated individually, with the utmost care, so that we can provide him or her with the best deal from a full basket of financial products! We offer services to businesses as well as individual customers. In our company you will find not only leasing, credits, factoring, but also a professional accounting office licensed by the Minister of Finance. Customers who decide to use our services do not have to submit any documents. They only specify their needs and we provide them without any additional costs.

Products & Services: Leasing, credit, investment, insurance.
