

LUBLIN CHAMBER OF COMMERCE

Lublin Chamber of Commerce is the business support organization, established in 1929. Our members are the companies representing almost all sectors located in Lubelskie region. The aim of our organization is to support the business locally, help to develop the international relations of our members and to provide the consultancy and the practical support to their international trade and investment activities. Our main markets and partners are located mainly in Northern Africa (Egypt, Libya, Tunisia), Turkey, the Middle East, India, Sri Lanka and China. We also work with many EU countries. Nowadays we are focused on African market as the attractive partner for our members. Recently we participate together with our members in many business missions in Africa and Asia to help them to secure their activities in these markets by establishing the strong relations with local chambers and the government institutions. Our target is also to promote Lubelskie region as the friendly area for foreign investors and the global trade partners. We provide the services to the international companies interested in establishing their investments or departments in Lubelskie region. We work very closely with the local authorities and help them to accomplish the strategy of Lublin promotion and business development. We are also
