

FUNDACJA ROZWOJU LUBELSZCZYZNY

Foundation for Lubelskie Development is a selffunding 'non-profit' organization founded in March 1990, operating in the whole Lubelskie Region (10 branches). It focuses on all the funds either from grants, subsidies or financial orders obtainable from the EU. It carries out many services and supplies 'know-how' to the population of the region. We are one of the oldest regional development agencies in Poland and Eastern European countries. Almost 20 years of our activity provides valuable experience to clients and a partners. This is confirmed by many certificates. We offer a wide range of advisory services and educational trainings to various target groups: entrepreneurs, people starting economic activity, working people, the unemployed, especially concerning programmes and structural funds targeted at SME's.

Products & Services: Preparation of grant applications, local development strategies, feasibility studies, business plans, village recovery plans, presumptions for plans to supply heat, electricity and gas fuels, financial and economic analyses, counseling within the scope of financing of an economic activity or planning of the controlling system, vocational trainings, training and consultancy in
