

SYNTEA SA

Syntea SA has been operating in the field of education for over 10 years. Competence and the delivery system including training courses, certification, apprenticeships, internships, practical placements and employment exchange activities allow us to guide our customers, i.e. natural persons, companies, institutions and organisations through the entire education process, starting from analyzing predispositions, delivering training courses, providing career advisory services, organizing vocational practice to finding a job. The system developed by Syntea is compliant with the idea of occupational mobility of employees and adapted to the most crucial directions of the European Union and the global education policy. During our activity we have already acquired over 65 mln PLN for implementing local, national and international education projects, trained over 45 000 individuals and issued over 50 000 certificates. Syntea Education Partners includes over 100 public and commercial entities operating in the field of education, advisory services and labour markets in Poland and abroad, especially in East-Central Europe.

Products & Services: The trainings and certification of competences, internships and placements, employment consulting.
