

GIEŁDA EVENTÓW ELZBIETA FIJOŁEK

Giełda Eventów (www.gielda-eventow.pl) is a service which promotes valuable local events and partners supporting them. There are sponsors - companies and institutions that actively participate in various local and national initiatives. Due to support they stand out from other entities and care about their current and potential customers in a special way - helping them and building relationships. The participants of the service are people aged 20-40, active, looking for information about interesting novelties, events and businesses. We assist in events sponsoring while promoting sponsors' brands during regular meetings of local businesses.

Products & Services: Business associations, marketing, sponsoring, events' web portal, advertising.
