

## DAKRO SP. Z O.O.

Dakro Sp. z o.o. is a well-known company in our region. We started up in 1992. At first we specialized in installing towbars like Westphalia, Auto-Hak Słupsk, Steinhof, Galia, Bosal, Brink (Th ule) but now we can help you with turbochargers, trailers, off-road accessories, roof racks etc. If you have any problem with your car, we will try to help you. Our mission is to provide full service to clients. Each of them is treated in a special way. We spend as much time as it is needed to give them the best advice and explain any unknown thing about our products.
