

BRAD HR SERVICES

Brad HR Services is a group of experts in accountancy, payroll systems and recruitment. We provide full accountancy, personnel and payroll management services. We specialize in outsourcing of HR administration. We support start-up companies in the process of entering the local market. We help to choose the form of taxation, take over all duties related to accountancy, organization and maintenance. We also specialize in recruitment. We provide the best candidates with regard to specific needs of each client and position. We have successfully placed specialists and managers in production, FMCG and IT sectors. We use direct search methods in order to reach and encourage the best employees to change their workplace. Our mission is to provide the highest quality services and support tools for both small companies and big corporations.
