

## BIZNESKLASA PAWEŁ DURKA

The company has been in the B2B segment since 2007. It offers all kinds of advertising materials – from small gadgets (pens, key rings, lanyards, t-shirts, mugs, hats, small tools, fl ashlights, umbrellas etc.) to professional tools and exclusive gifts (leather goods, clothing, stationery sets, electronics). We also organize trainings, integration meetings and thematic conferences (with musicals, hostesses and other attractions). We also provide services and advertising (Internet advertising, leaflets, brochures, catalogues, business cards, calendars, websites, hostesses etc.). We invite you to cooperate with both the suppliers as well as customers.

**Products & Services:** Advertising materials (clothes, tools, printing materials etc.), marketing services (events, website creation, Internet advertising, hosting).
