

Kochamy to, co ekologiczne, smaczne i zdrowe

SYMBIO POLSKA S.A.

SYMBIO Polska S.A. is the largest producer in Poland specializing exclusively in organic food production. Basing on its 15-year experience, the company produces and distributes food products certified for their organic origin. SYMBIO purchases organic fruit, vegetables, and cereals from Polish organic farmers. The produce purchased during the season is used for the production of frozen, concentrated, mashed or freeze-dried semi-finished products mainly for export, but also for the production of SYMBIO-branded retail products for domestic and international sales. The company offers over 150 products under SYMBIO brand, mainly fruit and vegetable juices and drinks, jams and fruit preserves, vegetable preserves, bran, cereal flakes, muesli, cookies, dried fruit, flour and bread mixes, pasta, groats, rice, legumes etc.

Products & Services: Organic food, including: frozen fruit and vegetables, fruit and vegetable juices and drinks, jams and fruit preserves, vegetable preserves, bran, cereal flakes, muesli, cookies, dried fruit, flour and bread mixes, pasta, groats, rice, legumes etc.
