

WSK Tomaszów Lubelski Spółka z o.o.
PRODUCENT CZĘŚCI DLA PRZEMYSŁU LOTNICZEGO,
MOTORYZACYJNEGO I MASZYNOWEGO

„WSK-TOMASZÓW LUBELSKI” SP. Z O.O.

WSK TL Sp. z o.o. specializes in manufacturing of complex and precise parts (for example screws, bolts, pins, nuts etc.) mainly for aviation, but also for automotive, machine and food industries. In our production we use:

- machining (machine cutting on CNC modern machines: turning, milling, drilling etc.),
- metal forming,
- cold forming,
- assembling,
- heat treatment.

Our company is an approved supplier for international aviation corporations. We sell to AgustaWestland, UTC, PZL Świdnik, WSK Rzeszów and other well-known companies. We have certified Quality Management System acc. to. AS9100 rev. C international standard (aviation industry) and ISO9001. We are a member of 'Aviation Valley' Association and most of our products are directly dedicated to aviation as parts for helicopters, aircrafts and engines. We have own Technical Team and Tooling Department.
